Categories: Blue

Jamie - Want to try to shop this with Nick? Unless you think someone else would be a good fit. If you don't get to it, maybe just let the adjuster know we got it..

Thanks,
Deb

Client Address:

Bedford NH

Claim Number: I6G2508

Named Insured: Robin Vergato

Insured Contact Name: Robin Vertago

Insured Business Phone:

Insured Mobile Phone: 603-560-7810

Insured Home Phone:

Insured Email:

Loss Location:

472 BROWN RD CANDIA NH 03034

Date of Loss: 01/30/2026

Loss Type: Power Surge

Type of Property: Well pump, control box, and motor

Claimant Name (if applicable):

Claimant Contact Name:

Claimant Business Phone:

Claimant Mobile Phone:

Claimant Home Phone:

Claimant Email:

Preferred LSG Consultant (if applicable):

Tasking:

Replacement Cost Valuation (RCV)

Claim Notes:

Claimant had her well pump control box blow off the wall in a power surge as explained b her Pump company. They stated they needed to replace all items associated to get system to function, however, added in "Brass 11 Interior Cycle Guard Valve as a system upgrade". Invoice to be sent via email.

Looking to determine if this is accurate and if cost is accurate.

Will you be sending documentation?

Yes or No:Yes, I'll email them to newclaims@losssolutionsgroup.com
