Ms. Jenn James
Travelers Insurance
PO Box 430
Buffalo, NY 14240-0430

RE:	Insured:	Interstate Gourmet Coffee
	Claimant:	City of Somerville
	Claim Number:	F0Q6086
	LSG Matter Number:	787200.12867-00
	Date of Loss:	October 23, 2025

Dear Ms. James,

Thank you for choosing Loss Solutions Group as your equipment loss consultant. This report provides an analysis of the above-referenced claim.

Assignment:

Loss Solutions Group was contacted by Ms. Jenn James of Travelers Insurance. The scope of this assignment was to assess the extent of damage, repair costs, and salvage value associated with the claimant's exterior light pole. The pole is located at 112-198 Josephine Avenue in Somerville, Massachusetts and reportedly sustained major damage during a vehicle accident event on October 23, 2025.

Findings and Analysis:

Loss Solutions Group contacted the claimant contact, Ms. Karen Laurinaitis with Bartlett Consolidated LLC (800-562-7474 x 646), to discuss her role in the claim. Ms. Laurinaitis explained that she works for Bartlett Consolidated to handle the replacement of a sidewalk light pole located at the corner of Broadway 600 and Josephine Avenue, which had been struck by a vehicle and severely damaged, requiring its complete replacement. She mentioned having limited information about the age, make, and model of the damaged light pole, but assured us that it would be replaced to meet current specifications and codes. After we requested details regarding the make and model, Ms. Laurinaitis did not follow up with us and did not respond to our calls or voice messages. Due to the limited information provided by the claimant, Loss Solutions Group conducted our own research to find a detailed photograph of the light fixture before the incident for the purpose of accurately assessing costs for comparable equipment.

© 2022 by Loss Solutions Group, LLC. All rights reserved.

A total amount of $13,849.44 was presented.

Scope of Damage

Loss Solutions Group submits that the claimant's exterior light pole on the corner of Broadway 600 and Josephine Avenue reportedly sustained major damage during a vehicle accident event on October 23, 2025.

Age & Condition

The claimant reported that she did not know the exact age of the light pole, but that it was in average condition at the time of the claimed event.

Reparability

Loss Solutions Group has reviewed the provided information and discussed the damage with the vendor involved. We submit that the proposed replacement path is warranted due to the extent of damage reportedly sustained during the claimed event.

Cost Analysis

Loss Solutions Group assessed the proposed costs by cross-referencing with alternative vendors, drawing on historical data for similar repairs, evaluating comparable equipment pricing, and consulting directly with the involved vendor to verify reasonableness.

BARTLETT CONSOLIDATED LLC (800-562-7474) COST PRESENTED TOTALING $13,849.44

Loss Solutions Group reviewed the proposal presented by Bartlett Consolidated totaling $13,849.44 for the replacement of an exterior sidewalk light pole/light.

Included in the cost is an amount for a light pole and a light similar in like kind and quality to what was installed previously (and also to match the light pole across the street), miscellaneous electrical supplies like wire, electrical connections, electrical tape, etc., a police detail to block off an area for workers to work, safety flashing arrow-board, a bucket truck, and a flatbed truck with a crane. We submit that these components are required to complete the replacement, and the costs are fair and reasonable.

Loss Solutions Group has reviewed the labor costs for the vendor to diagnose the damage and to perform the replacement, along with overhead and profit charges. We submit that these amounts are fair and reasonable to complete the scope of work as presented to us.

© 2022 by Loss Solutions Group, LLC. All rights reserved.

RCV

Loss Solutions Group submits an amount of $13,849.44 (RCV) as being fair and reasonable to return the equipment to a pre-loss condition. A further breakdown of the pricing is available in the attached spreadsheet.

Salvage

Loss Solutions Group submits that there is little to no salvage value associated with this claimed event.

Summary:

Loss Solutions Group's findings herein are based upon all information that was available at the time of this writing. The opinions are based upon reviewed documentation, interviews, research, experience, historical references, training and education.

1. The claimant, City of Somerville, claimed that an exterior light pole on the corner of Broadway 600 and Josephine Avenue was reportedly damaged during a vehicle accident event on October 23, 2025. A total amount of $13,849.44 was presented.

2. The claimant reported that she did not know the exact age of the light pole, but that it was in average condition at the time of the claimed event.

3. Loss Solutions Group has reviewed the provided information and discussed the damage with the vendor involved. We submit that the proposed replacement path is warranted due to the extent of damage reportedly sustained during the claimed event.

4. Loss Solutions Group submits an amount of $13,849.44 (RCV) as being fair and reasonable to return the equipment to a pre-loss condition. A further breakdown of the pricing is available in the attached spreadsheet.

5. Loss Solutions Group submits that there is little to no salvage value associated with this claimed event.
