	LSG Matter Number:	426600.4053-00
	Date of Loss:	July 30, 2025

Dear Mr. Vifquain,

Thank you for choosing Loss Solutions Group as your equipment loss consultant. This report serves to provide an analysis of the above-referenced claim.

Assignment:

Loss Solutions Group was contacted by Mr. Brad Vifquain of Hanover Insurance. The scope of this assignment was to address the extent of damage, salvage value, and repair / replacement costs associated with the insured's two (2) Alkota stationary pressure washers with batteries included reportedly damaged in a vandalism / theft event on July 30, 2025.

Findings and Analysis:

Loss Solutions Group contacted the insured, Mr. Brad Corpening with Haw Creek Pressure Washing LLC (660-287-5510), to advise him of our involvement in reviewing this claimed event. During our conversation, Mr. Corpening explained briefly how the two (2) Alkota pressure washers were bolted to the back of their work truck, a Ford F450, and that it was stolen after work hours and was in a crash. The truck reportedly suffered major damages and even rolled into a ditch, causing the truck and the two (2) pressure washers bolted to the back to suffer significant damages. The two (2) washers reportedly had their engines smashed, the frames of the washers were bent and broken, and there were other internal damages, making them non-reparable. The quote from Clean Solutions & Equipment is for like-for-like replacements.

Loss Solutions Group contacted the insured's pressure washer equipment vendor, Clean Solutions & Equipment (314-614-2228), and spoke with Ms. Kim Dees to discuss their quote. Ms. Dees

confirmed their quote was accurate and she was able to provide us with the final cost after taxes ($15,829.45).

Scope of Damage

Loss Solutions Group submits that the insured reportedly sustained significant damage to their two (2) Alkota stationary pressure washers with batteries included reportedly related to a vandalism / theft event on July 30, 2025.

Age & Condition

The insured reported that the affected equipment was around two (2) years old and in average condition at the time of the claimed event.

Reparability

Loss Solutions Group has reviewed the provided information / photos, and we have discussed the damage with the insured involved. We submit that the proposed replacement path is warranted due to the damage reportedly sustained during the claimed event.

Cost Analysis

Loss Solutions Group has researched the costs using alternate vendor resources, historical references, similar equipment costs, and vendor experience and we have discussed the pricing with the vendor involved. The following is a breakdown of the associated costs.

CLEAN SOLUTIONS & EQUIPMENT (314-614-2228) QUOTE DATED ON SEPTEMBER 18, 2025 FOR HAW CREEK

Loss Solutions Group has reviewed the amount of $15,829.45 for the replacement of the insured's two (2) pressure washers.

Included in the cost is an amount for two (2) Alkota brand (Style: stationary) (Model: 5355 ENS) hot water pressure washers. This includes the necessary twelve (12) volt start up battery for each machine. We submit these components are required to complete the replacement and the costs are fair and reasonable.

Alternate Vendor Contacts

Further research in establishing valuation utilizing third party vendors is discussed below.

Alkota Cleaning Systems (888-638-0490)

Loss Solutions Group contacted the manufacturer of the pressure washers to obtain a second quote on the presented pressure washers and spoke with Ms. "Lennett." She explained that they do not sell

items directly and recommended contacting a local distributor, assisting us in identifying one (1) near the loss location.

St. Louis Boiler Supply Company (314-962-9242)

Loss Solutions Group contacted the local distributor, St. Louis Boiler Supply Company, and spoke with a salesman, Mr. Nick Backs. Mr. Backs provided a verbal quote of $16,300.00 for two (2) Alkota Model 5355 ENS stationary pressure washers, excluding the 12-volt batteries, freight costs, and taxes. We used this price to validate our recommended costs.

RCV

Loss Solutions Group submits an amount of $15,829.45 (RCV) as being fair and reasonable to return the insured to a pre-loss condition. A further breakdown of the pricing is available in the attached spreadsheet.

ACV

Loss Solutions Group submits an actual cash value (ACV) amount of $12,663.56 based on linear age depreciation of the materials only. We estimate the average life expectancy of the equipment to be around ten (10) years.

Salvage

Loss Solutions Group submits that there is little to no salvage value associated with this claimed event.
