RE:	Insured:	INTERNATIONAL LINING TECHNOLOGY
	Claim Number:	CP0021174333
	LSG Matter Number:	427800.16429-00
	Date of Loss:	August 25, 2025

Dear Ms. Rossfeld,

Thank you for choosing Loss Solutions Group as your equipment loss consultant. This report serves to provide an analysis of the above-referenced claim.

Assignment:

Loss Solutions Group was contacted by Ms. Andrea Rossfeld of The Hartford. The scope of this assignment was to address the extent of damage, salvage value, and replacement costs associated with the insured's tools and equipment reportedly stolen in a vandalism/theft event on August 25, 2025.

Findings and Analysis:

Loss Solutions Group contacted the insured, Ms. Becky Jenne of International Lining Technology (775-284-2929), to advise her of our involvement in reviewing this claimed event. During our conversation, Ms. Jenne described their company's use of specialized tools for installing plastic geo-synthetic barriers. She reported that on August 25, 2025, vandals broke the lock on their parts trailer, stealing tools and equipment. Ms. Jenne provided a detailed list of stolen items, receipts from most original orders to validate their costs and ages, and an updated cost breakdown for replacing the items, totaling $44,745.62.

<u>Scope of Damage</u>

Loss Solutions Group submits that the insured reportedly incurred a loss of tools and equipment valued at $44,745.62 due to a vandalism/theft event on August 25, 2025.

© 2022 by Loss Solutions Group, LLC. All rights reserved.

Age & Condition

The insured reported that the affected equipment was of varying ages, from one-half (0.5) year old to thirteen (13) years old. All equipment and tools were reportedly in average condition at the time of the claimed event. A full list of equipment and their respective ages can be found in our attached spreadsheet.

Cost Analysis

Loss Solutions Group has researched the costs using alternate vendor resources, historical references, similar equipment costs, and vendor experience, and we have discussed the pricing with the vendor involved. The following is a breakdown of the associated costs.

DOCUMENT PRESENTED BY INSURED TITLED "STOLEN EQUIPMENT & SUPPLIES - REPLACEMENT COST"

Loss Solutions Group has reviewed the amount of $44,745.62 for the insured's replacement tools and equipment.

Included in the cost is an amount for two (2) types of wedge plastic welding machines, two (2) types of tensiometers, four (4) industrial hot air guns, one (1) backpack air blower, one (1) Honda brand electric generator, one (1) chop saw, one (1) chainsaw, Milwaukee drills, and other tools and equipment, as detailed in the attached spreadsheet. We submit that the costs presented by the insured for these tools are fair and reasonable.

Alternate Vendor Contacts

Further research in establishing valuation utilizing third-party vendors is discussed below:

Westech Plastic Welding Technologies Heat Welding Specialists TPO / PVC (253-682-7696)

Loss Solutions Group contacted Westech and spoke with Mr. Matt Fields in sales to gather further information on wedge welders, specifically the Wedge It 2000 machine. Mr. Fields confirmed that they sell a comparable wedge welder, similar in kind and quality, for approximately $8,000.00 - $10,000.00.

DemTech Services Inc. (888-324-9353)

Loss Solutions Group contacted DemTech and spoke with Mr. Brent Fuss in sales to obtain a quote for one (1) single-station tensiometer, one (1) dual-station tensiometer, two (2) vacuum tester boxes, and one (1) Pro-Wedge 3XL high-speed wedge welder. Mr. Fuss provided a quote (Quote #120703) for these items, validating the insured's presented costs.

© 2022 by Loss Solutions Group, LLC. All rights reserved.

RCV

Loss Solutions Group submits an amount of $44,745.62 (RCV) as being fair and reasonable to return the insured to a pre-loss condition. A further breakdown of the pricing is available in the attached spreadsheet.

ACV

Loss Solutions Group submits an actual cash value (ACV) amount of $19,771.55 based on linear age depreciation of the materials only. We submit that the average life expectancies of the equipment vary based on the equipment type. See the attached spreadsheet for a full list of equipment ages and their average useful lives.

Salvage

Please refer to your internal salvage department to assess the salvage potential.

Summary:

Loss Solutions Group's findings herein are based upon all information that was available at the time of this writing. The opinions are based upon reviewed documentation, interviews, research, experience, historical references, training, and education.

1. The insured, International Lining Technology, reportedly incurred a loss of tools and equipment valued at $44,745.62 due to a vandalism/theft event.

2. The insured reported that the affected equipment was of varying ages, from one-half (0.5) year old to thirteen (13) years old. All equipment and tools were reportedly in average condition at the time of the claimed event. A full list of equipment and their respective ages can be found in our attached spreadsheet.

3. Loss Solutions Group submits an amount of $44,745.62 (RCV) as being fair and reasonable to return the insured to a pre-loss condition.

4. Loss Solutions Group submits an ACV amount of $19,771.55 based on linear age depreciation of the materials only. We submit that the average life expectancies of the equipment vary based on the equipment type. See the attached spreadsheet for a full list of equipment ages and their average useful lives.

5. Please refer to your internal salvage department to assess the salvage potential.
